Sir:

PETITION FOR RECONSIDERATION

This is a petition for reconsideration of the
decision on the petition by Applicant, Display Industries,
LLC., to accept the filing of the above-identified U.S.
Reissue Patent Application by it, as the party to which the
invention disclosed and claimed in said Reissue Patent
Application rightfully belongs, and on behalf of and as
agent for the inventor.

The amount of \$200.00 has been noted as having been
received on June 11, 2007, however, the required fee is
\$400.00.

This request is accompanied by check in the amount
of \$200.00 for the remainder of the required \$400.00 fee.

The facts are that Petitioner's Attorney inadvertently submitted the \$200.00 fee pursuant to 37 C.F.R. § 1.17(g) rather than the \$400.00 fee pursuant to 37 C.F.R. § 1.17(g). In the petition, Petitioner's Attorney also inadvertently referred to 37 C.F.R. § 1.17(h) which requires a fee \$130.00 instead of the \$400.00 fee required by 37 C.F.R. § 1.17(g).

Petitioner's Attorney apologizes for the error and confusion and now submits that the petition is in condition for approval.

Respectfully submitted,

John L. James

In re Application of :
Dennis E. Parham :
Application No.: 10/705,666 : **ON PETITION**
Filing Date: November 10, 2003 :
Attorney Docket No. 10/705,666 :

This is a decision on the "Petition for Filing by Assignee" filed June 11, 2007, which will be treated as a petition under 37 CFR 1.183 to waive the requirements of 37 CFR 1.175.

The petition is **dismissed**.

Petitioner requests that the supplemental reissue declaration be accepted without the signature of inventor Dennis E. Parham, as inventor Parham is refusing to sign the declaration. It is noted, that in this case, 37 CFR 1.175 requires the filing of a supplemental reissue declaration signed by all named inventors, yet petitioner has demonstrated that inventor Parham refuses to sign the supplemental reissue declaration. In such a case, Section 1414.01 of the *Manual of Patent Examining Procedure* (MPEP) provides that:

[if] a joint inventor refuses or cannot be found or reached to sign a supplemental oath/declaration, a supplemental oath/declaration listing all the inventors, and signed by all the available inventors may be filed provided it is accompanied by a petition under 37 CFR 1.183 along with the petition fee, requesting waiver of the signature requirement of the non-signing inventor.

Accordingly, the instant petition will be treated as petition under 37 CFR 1.183 to waive the requirement of 37 CFR 1.175 so as to accept the supplemental reissue declaration filed April 23, 2007, without the signature of inventor Parham. Review of the merits of petition indicates that the petition is grantable, however; the petition must be dismissed because the fee for the petition under 37 CFR 1.182 did not accompany the petition. The amount of \$200.00 is noted as having been received on June 11, 2007, however, the fee for a petition under 37 CFR 1.183 is \$400.00. The remainder of the petition fee or an authorization to charge a deposit account for the same must accompany the renewed petition.
